

Camp Road Maintenance Workshop

Save Money, Maximize Resources & Protect Water Quality

Attention Camp Road Residents and
Lake Association members ...
This workshop is for you!

This workshop will discuss road design, installation, and how maintenance of your camp road will save you money and protect water quality.

The workshop will also cover legal issues related to forming and operating a road association, including new changes in Maine law.

Contractors, Road Commissioners, Select Boards, Public Works Supervisors, CEOs and others involved in road maintenance also welcome.

DEP Certified Contractors will receive 4 hours of continuing education credit.

Speakers:

Charlie Baeder, Executive Director, Belgrade Regional Conservation Alliance: *Impact of roads on WQ.*

Betsy Connor Bowen, Executive Director, Maine Alliance for Road Associations: *Welcoming Remarks.*

Peter Coughlan, Director, Maine Local Roads Center, Maine DOT: *Road basics 101; grader drivers vs operators; ensuring safety and reducing impacts on water quality; fixing mud; culvert sizing; winter plowing; technical resources.*

Mary Denison, Attorney: *Forming and operating a road association; audience Q&A with Attorney Goodall.*

Dustin Dorr (invited), Land Resources Regulation, Maine DEP: *Related laws; potential exemptions; sample problems; permit requirements; potential funding.*

Clifford Goodall, retired Attorney: *Road association legal updates: changes in Maine law affecting road associations; audience Q&A.*

Josh Platt, President, Maine Environmental Solutions LLC and Watershed Project Field Staff for Kennebec County Soil and Water Conservation District: *Surveying gravel roads; gravel road design and maintenance planning for lake and road associations.*
