

Courtesy Boat Inspector

Job Description

The 30 Mile River Watershed Association (30MRWA) is seeking Courtesy Boat Inspectors (CBIs) for the 2020 summer season. CBIs are the “first line of defense” against invasive aquatic plants, preventing plant fragments found hitchhiking on boats, gear and trailers from entering our lakes.

Responsibilities:

- Search for invasive plant fragments located on boats, trailers and gear.
- Educate boaters about the importance of preventing invasive species from entering our watershed.
- Record data for every inspection performed.
- Provide your own transportation to job sites.

Qualifications:

- Excellent communication skills with the general public
- Attention to detail and record-keeping
- Ability to work independently
- Interest in water quality issues

Benefits:

- Make a difference protecting our lakes from the devastating impacts of invasive aquatic species.
- Spend time at beautiful, lakeside locations, raising awareness on the impact of invasive species in our community.
- Meet new people and form connections in the area.

The program runs from Memorial Day weekend through Labor Day, with Fridays, weekends and holidays being the primary coverage times needed. Pay starts at \$12.00/hour. The position is ideally suited for retirees, students, and others looking for part-time weekend work.

To apply, please complete the online application, found at <http://30mileriver.org/get-involved/employment/>. Priority will be given to applications received by April 6th, 2020.

The 30 Mile River Watershed Association is a non-profit organization formed “to preserve, improve and protect land and water quality in the watershed.” The “30 Mile River” refers to a connected chain of ponds, lakes and streams in Central Maine. Formed in 2008, 30MRWA is a coalition of eight lake associations, seven municipalities, and two conservation organizations that have common goals and interests in protecting the watershed.
